We are very fortunate to have as our Superintendent of Schools, an extremely distinguished and qualified man. Doctor E.E. Brickell has, for the last twenty-two years, held responsible positions that have given him the experience and insight necessary to be effective as Superintendent.

Dr. Brickell makes it clear that he holds Kempsville High school and the surrounding area in very high esteem. He also says that he enjoys his job, which is, to a great extent, very demanding.

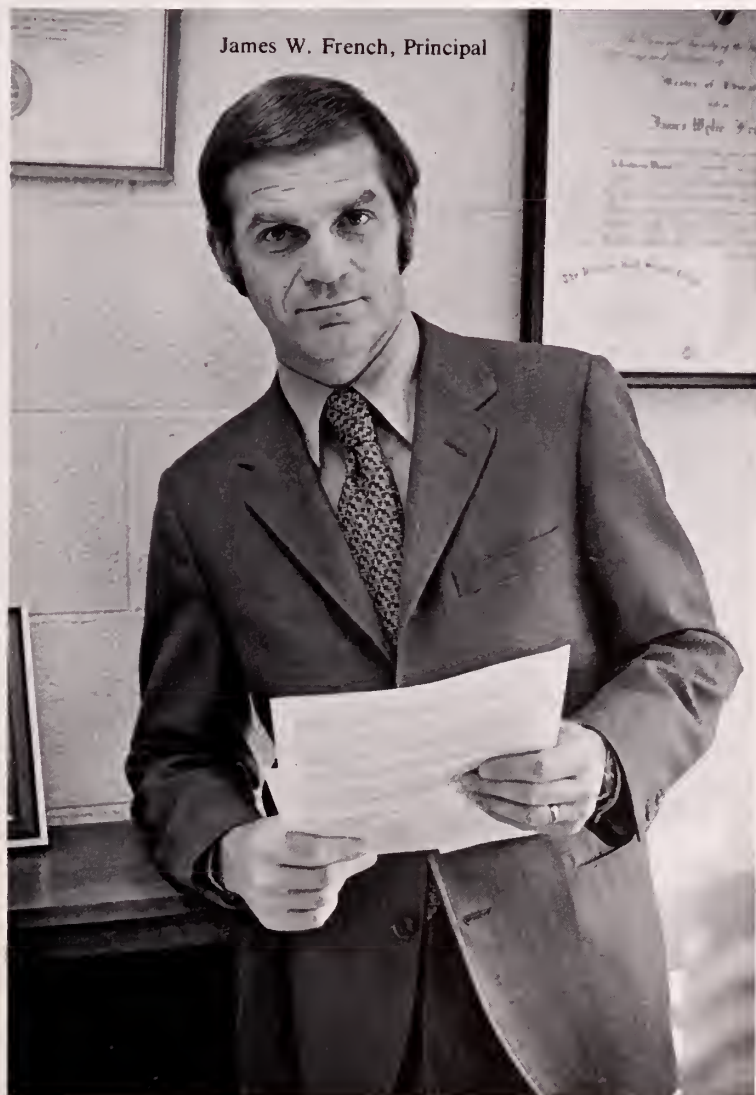

By expounding upon his experiences that led him here it can be safely said that Dr. E.E. Brickell can and does ably carry out his job of decisions.

SECOND SUCCESSFUL YEAR

Who stuck bubble gum on the backboard?

There are times when saying thanks becomes difficult. But, when it comes to saying thanks to Mr. French, we all are able to say it with more than ease.

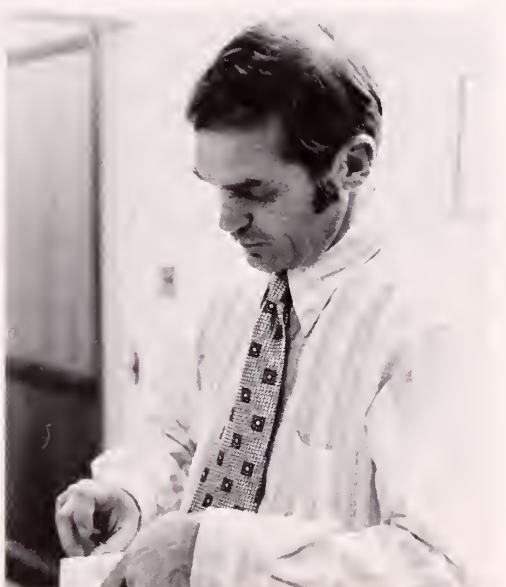

Our principal is always there to listen to any student's problems in or out of school and is always able to help in some way. He is always going out of his way to help a student.

Mr. French makes it a point to involve himself in and support all student functions. He has more school spirit than some of the students.

For all his qualities, good and bad, we love our principal, James French.

Sell them to you for 5¢ .

Next week I'm going to Cox.

This year Kempsville has three assistant principals. The tasks of these men are varied according to their responsibilities.

Mr. Fields is in charge of classroom instruction. He supervises the curriculum of Kempsville High School and works with the teachers' instructional processes.

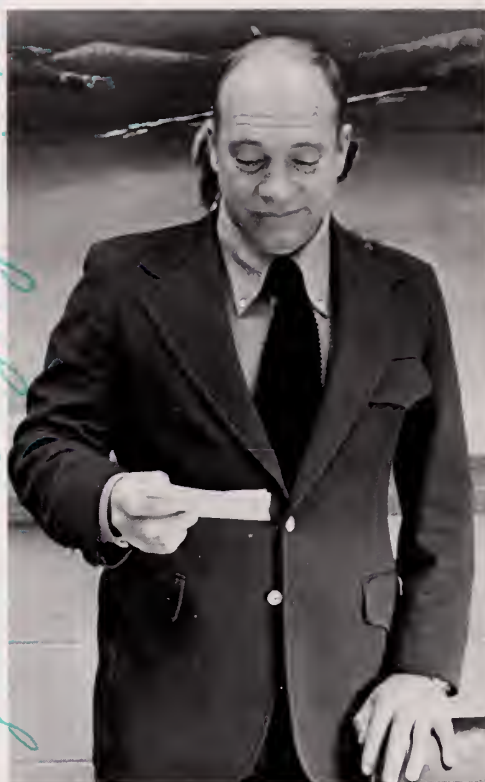

Mr. Cauthen is the assistant principal in charge of transportation matters including parking permits and buses.

Mr. Shields is in charge of discipline and works with the students to insure that they will cooperate with the rules set down by the school.

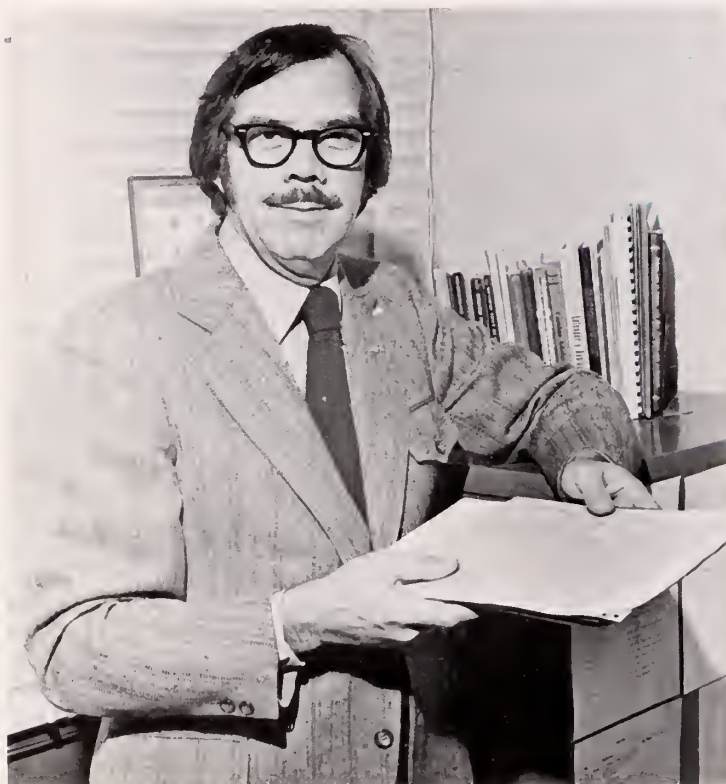

Without, Mrs. Houtchins, Mrs. Pell, Mrs. Smith, and Mrs. Woodfin the weighty problems that confront a school this size would never be solved.

In addition, Mrs. Lambiotte the new accountant has fit right in with the rest of the staff.

Rebbi - It's great that you're the "eye". I know you have looked fwd to it. I've watched all these years and now you're grown and going out. Don't forget us. G.B.

STAFF HONORS MULLEN

This year Kathleen Mullen has once again pulled through in making the 74 IMAGE a huge success.

As each year goes by, the staff keeps their eyes open for people who have helped the school and the people around them. This year, they found someone who not only keeps tabs of what's happening around the school, but the community also.

The staff's "Bunny" keeps hopping when events are going on. She has been the big asset that every school needs to have a successful annual, but Kempsville has her and won't let her go!

We love our Mullen.

After the crowds go, her work goes on.

Oh come on, lets dance!

You didn't.

College catalogues, booklets, and schooling information are among many of the types of information found in the Guidance Department.

The seven guidance counselors are trained and skilled in helping students who need help with selecting colleges and occupations. The counselors are also trained to advise the students in any personal and family problems that they might have.

The head of the Guidance department is Mary Fritch.

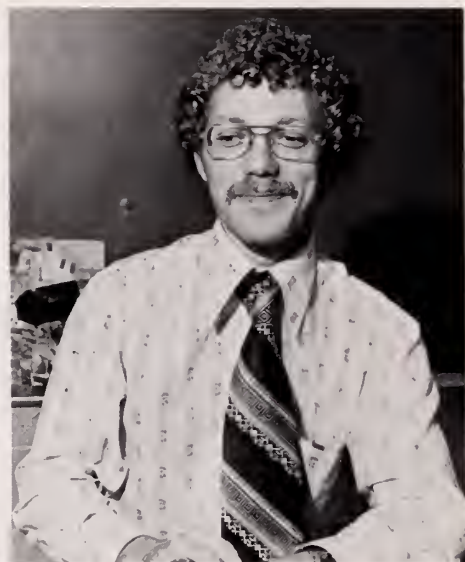

As with the Social Studies Department the English Department has instituted a new program in the rental of text books.

This year each of the classes are issued a series of books to be used for one six weeks. Each series has six different books.

The new plan by which students pay a fee for the use of a textbook is called Instructional Materials Fees. the long range goal of the plan is to build up in each class more supplementary materials.

There are six new teachers in the Social Studies Department. The outlook is promising for the new text book policy and the new teachers.

This year the Math Department, headed by Richard Watson, has developed in many ways. For the first time at Kempsville, there are two Calculus classes and over 50% of the student body is taking Math. Over one-third of the student body is rising to Geometry or higher. These factors indicate an increase of interest in the mathematical fields.

This year there are eleven math teachers and their main goals are to meet the needs of the students according to their ability. This has been done with great success.

The Science Department is striving to make every student scientifically literate and to help him live in the everyday world of science.

A new course has been offered this year called Pathways of Science. This course is offered to students usually having problems in Science. It is designed to stimulate Science in the students life.

The Department is headed by John Perry. The size of the Department has grown tremendously.

As basic business courses, the Kempsville High School Business Department, headed this year by Vince Marshall offers General Business I and Typewriting I. For the student who wishes to further pursue his interest in office occupations, the courses from which to chose are Clerk Typist I and II, Stenography I and II, Clerical Accounting I and II, and Book-keeping I and II.

In these courses, the main objective is to aid in the training and placement of students in various office positions.

The following Departments are small ones in Kempsville, but are sincerely needed.

Art is one which has grown in size and skill. There are over 300 students taking Art this year.

Home Economics is essential in the world. It covers topics dealing with today's home life.

Industrial Arts may be a small area of our school but it is the largest in the city of Virginia Beach.

John Curtin has the responsibility of the Department.

There are many people that are needed at Kempsville. If not for these people many activities would not be here.

The departments include things from reading to marching to sales.

Jeanette Seymore and Cathy Benn have a special talent of helping students in need.

Lou Sawyer (chorus) and Jerry Cole (band) help students enjoy music.

Edith Tanner, Nancy Pell and Bob Braun are always needed in the library.

As for Kelley Parnell and his staff they help students with special problems in Business; and how to cope with them.

Commander Ray Lackore has been in charge of NJROTC for the past two years. He has seen it grow in size and knowledge.

IMAGE HAS ALL NEW LOOK

This year the Kempsville High's yearbook has a new look and laugh. The 73-74 Image Staff decided to change their "Image" and use Humor as their theme.

They didn't know how their fellow students would react but, just how much does the student body know of how their yearbook is put together. It takes many hours of hard work and imagination. Working after school and into the late hours of night . . . The Image Staff has put much effort into making a successful remembrance of High School experiences.

This year the Image is sponsored by Kathleen Mullen, who spends many hours at school to prepare the book for publication.

HAVE INCREASED

The Student Cooperative Association has really been pouring it on for 1974.

Not only has a Senate been formed consisting of English class representatives, but an entirely new constitution has been drawn up which provides for more equitable representation of the student body.

This year in keeping with ecological concerns, the SCA sponsored a brick sale in local neighborhoods as a step toward water conservation.

It is important to point out that every student is a member of the SCA, headed by a competent group of officers.

GRADY WINS STATE POST

Governor Grady Hedgespeth.

Each year, boys and girls are selected from the Junior Classes of High Schools all over Virginia to attend Girls and Boys State during the summer. At State, the students learn and participate in the fundamentals of State Government. Girl's State, which is held at Radford College and sponsored by the American Legion Auxiliary, and Boy's State, held at Lynchburg College and sponsored by the American Legion, lasts one week during June.

The students are elected to City and State offices and the week ends with the election of Governor, Lt. Governor, and Attorney General.

This year, our own Grady Hedgespeth was elected Governor of Boys State, a coveted title.

With the combined efforts of the coaches, captains, and members of the team, this year should turn out successfully for them.

What can I say, but boy do I feel good all under!!

But I didn't take your piece of bubblegum.

Only her hairdresser knows for sure.

Aw come on Jeffery . . .

Hey! I hear you had a tiger in your tank.

The Crucible

The Thespian Players, under the direction of Ms. Patricia Bernick presented **The Crucible** as the fall production. The play was a parallel to the "Red Scare" initiated by Senator Joe McCarthy in the fifties. It displayed fear, the most communicable of human emotions as it spread like wildfire to engulf the characters. The witchcraft trial situation portrayed the paradox of honesty, in which truth was a double-edged sword.

The plan allowed high school students to participate in a highly dramatic production which was all too real in many cases.

The play was a great success for the Thespians and was much praised by the audiences for it's talented portrayals and professional air.

TRI-HI-Y TRIES HARDER

Fidelis Tri-Hi Y is a Christian club affiliated with the YMCA. The main objective of the club is to service those around it.

Activities of the club have been many. The members attended both Church and a Medi-Care Center monthly, and participated in Project Clean-up.

Some of the money making projects were the pom-pom sales and Singing Valentine sale. This money was used to adopt a child through the Christ-

ian Children's Foundation.

Another function was the Annual Powder Puff Football game. The Co-captains were Paula Pruden and Joanie Harris. The Coach was Mr. "John Paul" Jones. The game was followed by the Sadie Hawkins Dance. Both were big successes and were enjoyed by all. The new sponsor, Joyce Ellis was a great help in all ways.

It was a very good year.

Along with playing football,

the Y-Teens also worked with underprivileged children. They also attended church once a month as a group. This year a new sponsor was added, Miss Patsy Ferebee, helped organize many activities along with our ever faithful, Mrs. Pam Quinn.

From the mixed chorus, Mike Bryant and Mike Crabtree were chosen for the All State Chorus.

Sharp turns, good tunes, that's two among a dozen outstanding features the band displayed this year.

Money raising events helped the band buy new uniforms for the ever expanding group. Some of the events were, playing for 5 hours at the Princess Anne

Road McDonald's and selling candy around the community.

Once again, the band was invited to march in the Oyster Bowl Parade and to play during half-time activities. A first, for the band this year was the invitation to play at the Red Wing Hockey Game at Scope.

Creative, well-executed performances were the results of talent, enthusiasm, and long hours of practice for this year's majorettes. The girls have demonstrated their abilities at K.H.S. football games and pep rallies. They helped make the MacDonald's Band Day a successful, enjoyable experience. With the Marching Chiefs, they traveled to the University of Richmond Band Day competition and represented the University of Maryland at the Oyster Bowl. Betty Lou Whitford is their sponsor.

IN SIZE AND SKILL

The 1973-74 Drill Team had a successful year as a result of a great deal of practice. The traditional "Arrowhead Country" and "El Cumochero" Dances were preformed, along with new pom-pom and dance routines to Joshua and the Horse. There were also new marching steps added to the list of sequences taught to the girls.

The team of sixty-seven girls participated in school, pre-game and half-time activities. The list of parades and/or pre-game activities were many: Oyster Bowl, Chowan, and a Christmas Parade; there was also competition in Richmond. The girls also sponsored and participated in many money-making projects, such as a day at MacDonalds.

The Drill Team is under the leadership of co-captains Cheri Johnston and Crystal Roon. The group is sponsored by Mrs. Sha Pyeatte and Mrs. "Sam" Hallock, with Stephanie Hallock being the team's mascot.

The Junior Varsity Cheerleaders helped promote spirit throughout the school year and tried to set good examples for the student body to follow. During the summer the J.V.'s supported the Varsity Cheerleaders and cheered them on to a first place at the Varsity Review. The J.V.'s also sponsored a hayride for their football players after their season.

Hey I caught a fly!!

To increase school spirit they participated in pep rallies and Varsity functions. They supported the Squires by selling programs at one of their games. During the year they were asked to guide at Parent's Night. In all, the J.V. Cheerleaders helped Kempsville High School through another successful year.

Kempsville is proud to acknowledge their Varsity Cheerleaders as first place winners in competition. The cheerleaders had various money making projects during the summer and the school year.

The squad was invited to attend the Oyster Bowl Parade and Game, and brought outstanding recognition to the school.

The squad devised a "Big Sister" Plan to promote better relations between the J.V. and Varsity squads. The varsity Cheerleaders supported the Virginia Squires basketball team by selling programs at Scope during one of their games.

The Varsity Cheerleaders have tried to support all sports this year. They even drove to Williamsburg for a ten minute Cross Country meet.

SEVEN VIE FOR TITLE

The 1973 Homecoming, organized by Jeff Miller and Rick Albee, was a delight in itself.

To be selected as one of the girls on the court is an honor, and this year Cindy Meredith was crowned Queen during halftime out of the seven chosen for the court, while the Band and Drill Team performed various formations to the theme of "Wild, Wild West." School spirit, class par-

ticipation, and appearance were the basis of the selection.

After an exciting crowning, the crowd boogied to the sounds of "Wild Kingdom," and everybody had a swinging time at the annual Homecoming Dance.

The seven girls on the court were, Dede Dandridge, Cheri Johnston, Krystal Lake, Lynn Lee, Cindy Meredith, Pam Morris and Tina Remicci.

JV FOOTBALL HAS NEW COACH

The J.V. Football team ended its season with its first losing season. The record was two wins against three losses. The team played well against Booker T. Washington, Cox and Bayside, even though they fell to Bayside.

The scoring for Kempsville was helped tremendously with the passing game from Paul Hinson to Marshall. Also the running attack of Lou Hutchinson and Billy Latham. The linemen also should be mentioned for their ability to hold off the attack from the defense. Mike Flynn and Mike Robinson did a great job for the Chiefs.

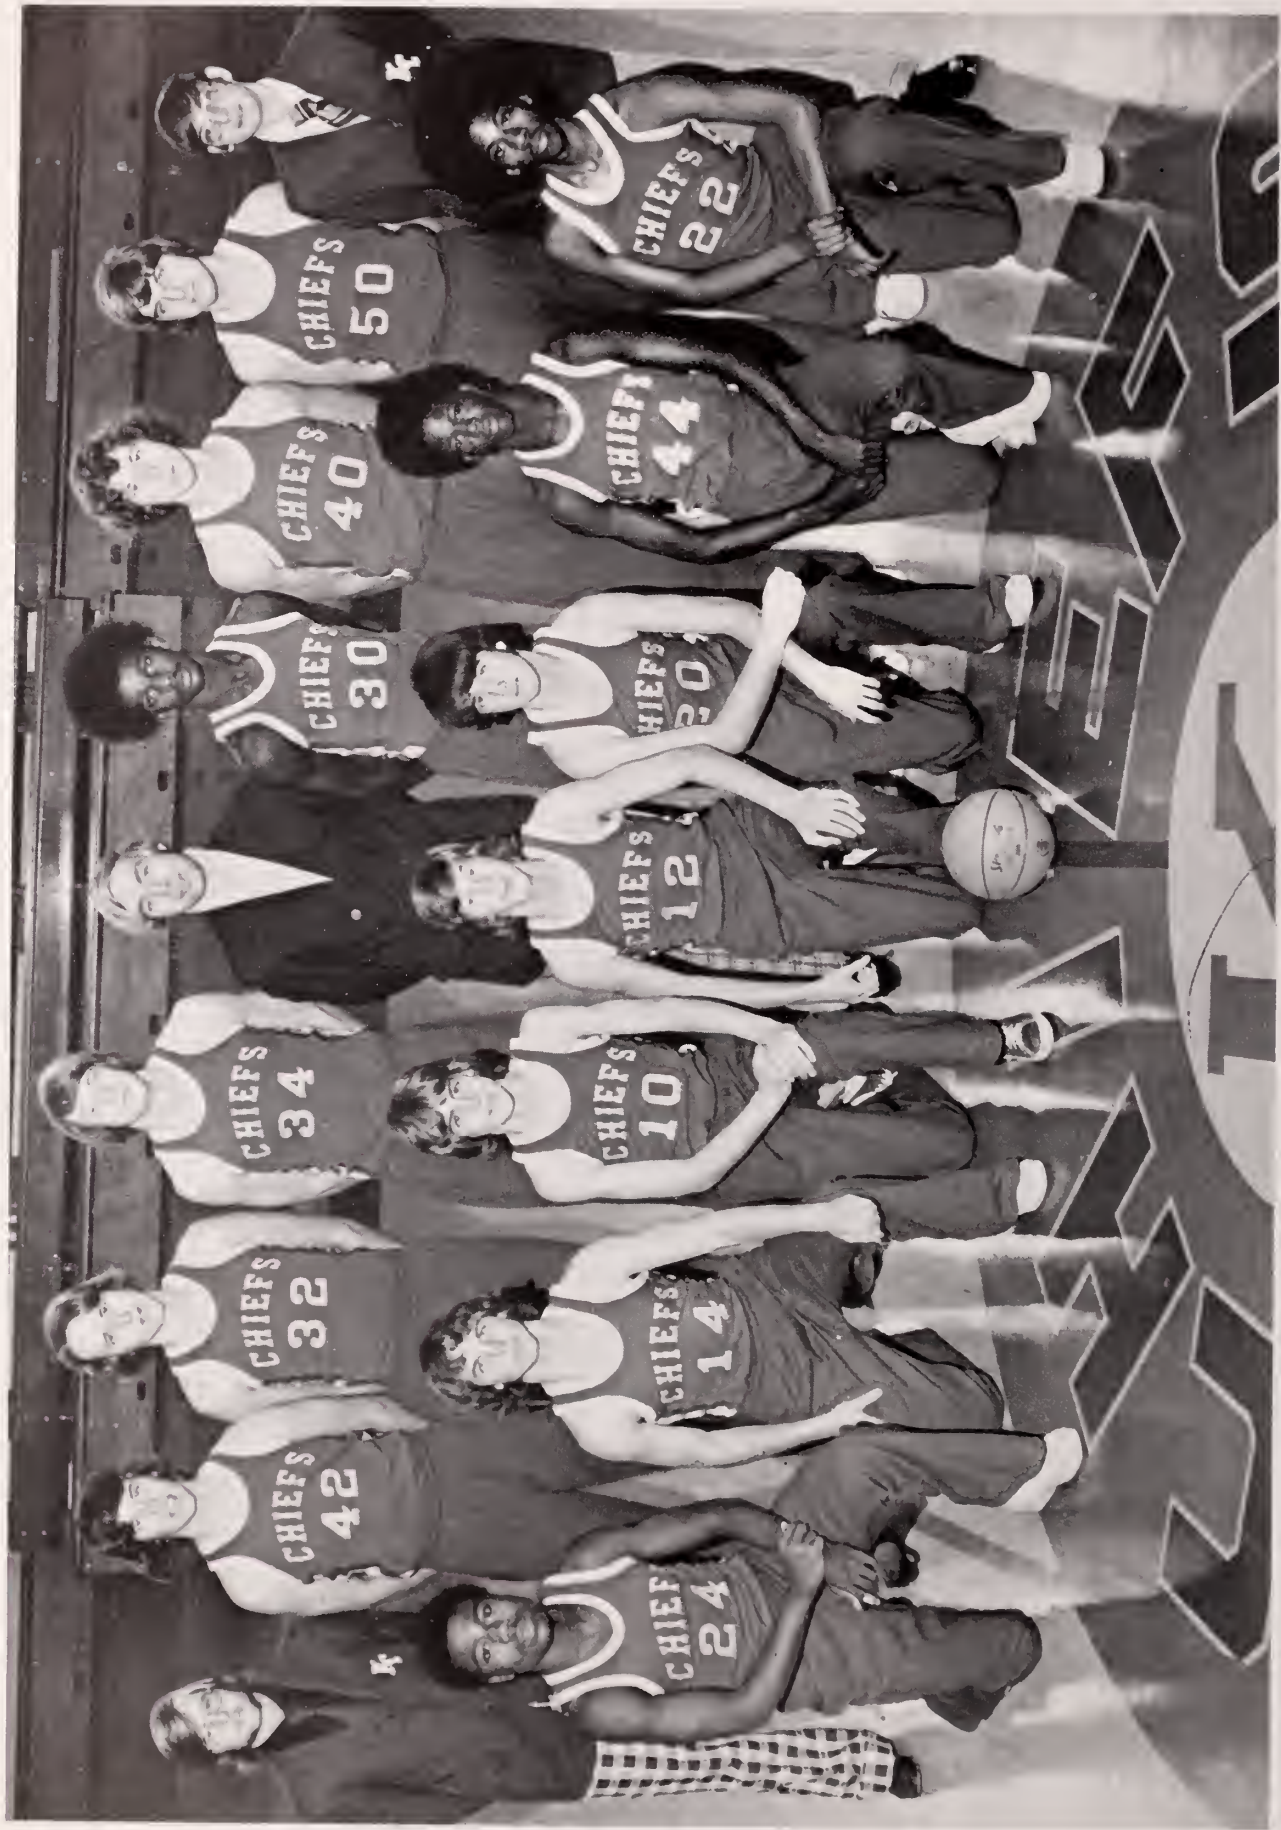

On defense, the best games played were the Booker T. Washington and Cox games. The line held off the run. Kyle O'Neal and Steve McCoy did their job to prevent scoring. Steve McCoy ended the season with the most individual tackles. In the Cox game the defense blocked away four scoring threats, in the form of passes. The backs were helped with the ability of Billy Latham. The line stopped the run and dropped the Cox quarterback three times for losses.

Coach Eldridge was in his first year of coaching the Kempsville team after graduating from Virginia Commonwealth University and coaching two years in Richmond and Lynchburg, Virginia.

Front Row: Dennis Lanier, Ronnie Bray, Billy Latham, Louis Hutchinson, Paul Hinson, Kyle O'Neal, Greg Marshall. **Second Row:** Eddie Weddton, Barry Burnett, Mike Disperio, Brian Lynch, Royce Singleton, Jeff. **Third Row:** Randy Flynn, Pat Thompson, Doug DeMun, Greg Hughes, John Boyce, Frank Lilly. **Fourth Row:** Steve McCoy, Garland Taylor, Brian Hamilton, Mike Blankenship.

On the court this year, many new faces appeared but there were a few that remained. Under the direction of Bill Cochran the team proved to have gained experience from the past seasons.

The team is led by Britt Glisson, returning as center to help "tip the game off". Along with Glisson are Oliver Mayfield, John Gilchrist, and our "short signal caller," Billy Foster. Also returning are David Giliam and Don Weeks. They prove to be an asset to the team.

Easy two.

NEW COACH HAS SUCCESSFUL YEAR

Kempsville High School welcomes a new wrestling coach this year, Keith Lowrance. The Wrestling Team has started off the 1973 season very successfully with a near win over unde-

feated state champions, Cox. Outstanding varsity wrestlers are Bob Wernick, Steve Burbage, Mark Storey, and Bob Tata.

See our new mats?

Telephone call for the guy on the bottom.

What's that spot on his neck?

I wonder how far his arm will bend back?

Don't you think it's time to come up for air boys?

Now what do you have to say for yourself?

He's getting fresh coach!

Better learn to fly soon.

Your eyes are bloodshot!

One, Two, cha-cha-cha!

... And the next time I catch you looking at her ...

"Ring around the collar."

FIRST GIRLS CHAMPIONSHIP BROUGHT TO KHS

Front Row: Teresa Lee, Claren Scott, Leslie Cook, Susan Atkins, Dalynn Patrick, Elish Higgins, Debbie Jones, Gail Maddux. **Second Row:** M.J. Waldman, Michelle Machak, Angie Scott, Sandy Hoff, Lynn Lee, Rookie Rusnock, Lisa Jaegar, Tricia Lovitt.

Think I could join the globetrotters, oo?

Just don't pull my ponytail!

At Last! A Star!

Look Out!

Take a right here.

It takes two hands to handle a Spalding.

Them's my girls.

So I have to smile.

We're ready when you are, Ref.

I'll hook it from here.

And now we switch to wrestling.

I can do it with my eyes closed!

This is the first year for Girls Varsity Basketball in the Virginia Beach Schools. The Kempsville girls led the competition from the beginning victory over Princess Anne by the score of 54-9, and continued in winning form throughout the season.

Outstanding Seniors were Dalynn Patrick, with high scoring in every game, and Susan Atkins, who helped make our defense the strongest in the city. There being no Junior Varsity Team, the Sophomores saw a lot of Varsity action. Sophomores starting on the first team were Sue Rusnock and Lisa Jaeger.

The future looks bright for the Kempsville girls.

Now, it's my turn.

This posing kills me

Pass the bottle.

It's mine! You can't have it!

I showed you!

You're a fool if you trust me.

I thought there was a basket down here.

OOPS! Wrong play!

FLYNN LEADS CLASS OF 75

During the year the Junior Class had varied activities such as car washes, homecoming float construction which awarded them a first place for their entry and a dance sponsored by the class following a football game. A candy sale was held to raise money for their Ring Dance. The focal point for this year was their Ring Dance.

They would like to thank their class sponsors Mrs. Sha Pyeatte and Mr. Paul Peter, who have been most helpful in guiding the Junior Class this year. Their appreciation is extended to the class of '75 for their support throughout the year.

CLASS OF 76 GROWS IN NUMBER

Jenny Ackaway

Billy Adams

Linda Adams

The Class of '76 entered their first year at Kempsville High with the usual sophomore enthusiasm. The large size of the class plus the leadership of its officers contributed to the making of a successful year.

The year started with the building of the Homecoming float. Much time and effort was spent on it and the result was a great float.

The class used a doughnut sale and other activities such as selling spirit license plates to raise money which was used to finance several dances.

The class of 76's first year at Kempsville High was a successful and memorable one. Thanks to the enthusiasm of the students and the help and guidance of their sponsor, Mrs. E.E. Cary.

Front row: Paul Crabtree, President Katherine Sievers, Secretary.
Second row: Karen Gunter, Treasurer Basil Gray, Vice President.
Sponsor: Lisa Cary
